Excerpt Number One

Employees are either investments or overhead.

Intimacy is giving another ammunition to blow your brains out and trusting they won't pull the trigger.

Contrary to what your children tell you, boredom is not a terminal illness

If God could feel justified about taking a day off, so can you.

We are not limited by what we have not done. We are only limited by what we believe we cannot do.

A Word to the Wise: Anyone who will gossip with you will gossip about you.

Nothing of significance was ever accomplished alone.

Attitude is everything when it comes to... anything.

Only Small children and pets never hold a grudge.

You can stop telling people: “I'm really busy.” *Everyone* is “really busy.”

Who said you have to take the bad with the good?

Not knowing what you're talking about will seldom stop you from having opinions.

You make it all up as you go along.

Real change happens when you become sick and tired of being sick and tired.

Maybe you can and maybe you can't-- but never because someone else said so.---

If at first you don't succeed-- so what.

Most people seem to be trying to slow down. Did it ever occur to anyone to just not speed up?

When success becomes a matter of "when" and not "if," you are doomed to succeed.

You are hard wired to succeed.

Never underestimate the uselessness of negative thought.

Wisdom is knowing the difference between "when in doubt do" and "when in doubt don't."

The Good Farmer knows:---There is a long growing season.

The Good Farmer knows:---Not all seeds grow. Plant lots of seeds.

The Good Farmer knows:---Unforeseen disasters can happen at any time and there is only so much you can do to prepare.

The Good Farmer knows:---There is always another growing season.

The Good Farmer knows:---Good seeds grow best in fertile soil.

The Good Farmer knows:---It's fine to celebrate the harvest, just remember there is more planting to do if the harvests are going to continue.

The Good Farmer knows:---Share your harvest.

The Good Farmer knows:---The crops that fail go back into the soil enriching the next crop.

You can't say "thank you" too much, but you can fail to say it enough.

Criticizing others without warning is the emotional equivalent of a "drive-by shooting."

When someone begins using the words "everyone, no one, always & never", meaningful communication has temporarily ceased.
